## Our Story

Registered as a nonprofit organization in 1998, Shady Hollow Assisted Riding meets the needs of exceptional people looking for an outdoor experience. Through assisted riding lessons, individuals with disabilities can develop:

- Improved Self-Confidence
- Increased Muscle Strength, Flexibility, and Tone
- Enhanced Balance, Focus, Coordination, and Attention
- Friendships and Teamwork between Riders, Instructors, and Horses

Horses with heart.

## Our Farm

Over 90 acres of farm land provide a serene environment in which our students express themselves freely, thrive and come alive!

## Our Facility

- Indoor/Outdoor lighted riding rings
- Wheelchair ramps and hydraulic lift
- Certification by PA Council on Therapeutic Horsemanship and NAHRA
- Specifically trained, calm, quiet, gentle horses
- Accommodations for all sizes
- Opportunities to learn farming techniques
- 3 miles of wooded trails with access to Schuylkill River Trail
- Organized group activities for schools, clubs, and community organizations

## Our Staff

- Phase II PA Council on Therapeutic Horsemanship riding instructors
- Apprentice instructors currently teaching lessons under the supervision of certified instructors.
- 30+ volunteers
- Fully staffed Board of Directors
- Family-managed and coordinated
